Providing Hope & Healing for Children in the Juvenile Justice System

# FALL NEWSLETTER AND 2019 ANNUAL REPORT

November 2020

## A New Chapter Built on Hope & Healing

Episcopal City Mission (ECM) hosted its first virtual event on October 8 with the theme, "A New Chapter Built on Hope and Healing." As with many things in 2020, the Coronavirus required us to be more creative and go to a virtual format.

Thank you to all of you who registered and attended the VIP Experience and the main Gala event! We are also extremely grateful for our event and auction sponsors, along with those who made donations even if they were unable to attend. Our first virtual event raised over \$70,000!

Brian Owens

The VIP experience held prior to the gala featured the music of Brian Owens, an outstanding local artist, performer, and a young man committed to the youth of St. Louis. He and his colleagues provided beautiful music, along with a song written and performed by a young man mentored by Brian. In addition, Brian shared his experience working with the children and staff at the County Detention Center. He spoke about the importance of ECM's work and encouraged attendees to support ECM's work.

The main gala event started with a warm, live welcome by our mistress of ceremonies, Ann Marie Ruhlin. She guided our attendees through their virtual experience and live auction bidding with auctioneer, Fletcher Lane. Our attendees were able to communicate with everyone and bid on live auction items using the "chat" feature on Zoom, while silent auction items were bid on via a mobile phone application.

Mark Jordan, the ECM Board chair, opened the gala with comments about the vision of ECM and how ECM is preparing for "a new chapter built on hope and healing." He stated the juvenile justice system is evolving, and ECM is evolving with it. The Family Courts now detain fewer youth, while serving others under court supervision in the community. ECM in 2019 moved into community-based chaplaincy where we provide programming such as grief and loss groups to "court-involved" children who are living in the community with parents or in residential homes. The children in the detention centers today are those who are detained for more serious offenses or allegations.

The Rt. Rev. Deon K. Johnson

Following Mark's comments, attendees were blessed by an inspirational keynote speech from The Rt. Rev. Deon K. Johnson, the 11th Bishop of the Episcopal Diocese of Missouri. Bishop Deon spoke eloquently using the "starfish on the beach parable" as a comparison to the work done by ECM chaplains with children in the juvenile justice system. The way we can make the best – and probably most profound – change to help humanity, is just with one child (or starfish) at a time. He spoke about his experience working with the national church on the "school to prison pipeline," a process of criminalizing youth that is carried out by disciplinary policies and practices within schools that put students into contact with law enforcement. Bishop Deon stressed his support of ECM and the children we serve.

MIT would not be complete without a story by an ECM chaplain. However, the virtual format provided us the opportunity to provide a mission moment video providing firsthand experiences from chaplains, court volunteers and a detention supervisor. The stories shared the hearts and minds of the children we serve, along with their challenges. We hope these stories help our supporters better understand the children and how ECM chaplains provide support, hope and healing to the children.

Blessings to all of you as we enter the holiday season!

# 2019 ANNUAL REPORT

## Dear Friends of ECM,

Episcopal City Mission finished financially stable in fiscal year 2019. We had strong individual donor support, along with increased support from the Diocese of Missouri through annual budget funds of \$20,000 and a New Ventures in Community Ministries Grant of \$10,300. In addition, we continue to be blessed with excellent growth in our Diocesan Investment Trust account.

Our staff salary and benefit expenses were down in 2019 due to going from five ECM staff members to four in June. The balance of 2019 was spent interviewing and recruiting two part-time chaplains to start serving in January 2020. Even with only two chaplains for seven months, Chaplains Deborah and Kevin were able to continue their service to the detained youth, while developing and providing our first community-based program to court-involved youth.

Thank you to everyone who supported ECM in 2019! You may have donated your time as a birthday party or holiday gift wrapping volunteer, your talent as a Board member, or your treasure as a financial donor! ECM is truly blessed by all of these gifts!

Peace,

Elizabeth A. Goad  
ECM Executive Director

## THE DALTON LEGACY SOCIETY

### *Leave Behind a Legacy of Hope & Healing*

In 2014, the ECM Board honored the Reverend J. Albert Dalton and established The Dalton Legacy Society. Reverend Dalton in 1954 was the first ECM chaplain to minister to children in detention and he served as executive director until 1961. The Dalton Legacy Society was developed to ensure that Dalton's invaluable work with youth in detention would continue for years to come through donors giving or making a commitment to the ECM Endowment Fund.

There are many ways to give to the ECM Endowment fund, whether you give now or give after your lifetime. We encourage you to consult your financial advisor as you consider the various options and determine what best fits your situation.

Please feel free to contact ECM with any questions or to schedule a time to discuss becoming a member of The Dalton Legacy Society!

## ECM PRAYER

*Gracious* and loving God, Creator of the universes; look upon those we serve in the Juvenile Justice System of Saint Louis. May our ministry to Your children help them find their way with renewed hope and joy. Guide the staff of the Juvenile Justice System that they know themselves to be a part of Your plan of redemption. Be with Episcopal City Mission as we seek to do Your will and sustain us in all our works. This we ask in Your name. **AMEN**

## 2020 HOLIDAY GIFT PROGRAM

### *The Tradition Continues!*

Episcopal City Mission believes every child should know the magic of the holiday season, including those in St. Louis' Juvenile Detention Centers. It's especially important this year when the children are allowed NO visitors! With your help, every child in detention will have at least one gift to unwrap. The message they receive is the true gift: They are beloved children of God, someone cares, and there is hope for a better life!

### *HOW YOU CAN HELP*

**Provide gift cards** to purchase what is needed for the children in the juvenile facilities.

★ **TARGET | WALMART | AMAZON | OLD NAVY** ★

Gift cards help us make sure each child receives exactly the same item and allows us to shop holiday sales.

**Provide an item for the children:**

#### **Playing Cards**

**Jigsaw Puzzles** (100, 200, 500 pieces)

**Coloring Books & Crayons** (Super Hero & Teen-themed)

**Black ONLY Composition Notebooks for Journaling** (No spiral/wire binding)

**Word Search Books** (no wire/spiral binding, no Sudoku, no Crosswords)

**Individually Wrapped Candy** (No bubble gum or lollipops, please)

#### **Children's-version Bible Trivia**

**Leave the shopping to us and send a check!** No gift is too small, and there's no deadline. Please note "Holiday Gifts" in the memo.

**ECM will pick up donations from your church through Thursday, December 10.**

***This holiday season—share the LOVE and bring HOPE and HEALING to the children in detention!***
